## **PRESS RELEASE 16 SEPTEMBER 2009**

MetroStars is happy to announce the appointment of David Terminello as its new Senior coach.

David, will take over from Mike Barnett, who after 7 years at the helm, has just finished off where he started - at the Top of the League. Although we are sorry to see Mike leave the Club, we are very proud of our achievements over the past seven years. The club's continued success of consistently finishing in the top 3 of the league (finishing top of the league in 4 of the years) and the impressive Championships (2) and Federation Cup (2) wins, has produced arguably results better than that of any other Club.

MetroStars is excited by the appointment of its new senior coach and believes that his experience and knowledge of the game will bring to the Club fresh ideas and a new approach which will help the Club in its quest to continue *"Building Soccer for the Future"*.

David has a wealth of playing experience and has been a MetroStars player since 2005. Having announced his retirement as a player earlier this month and topped off his already impressive playing career with a Super League Championship, the MetroStars Board is confident that David will build on the strong foundations prepared from past MetroStars coaches, to help keep MetroStars the number one Club in the State.
