**Season Launch**

The season launch was a great day for all. It is a milestone as it represents the start of the season and gave us all an opportunity to come together as a club and wish the boys a successful year. It was a fun filled afternoon with good food, great atmosphere and our i-goals certainly got a good work out. The club wishes to extend a special thanks to Rinni Coolen who took the time to be part of our season launch. We would also like to thank the many volunteers who worked diligently throughout the day by way of setting up, serving and cooking food, cleaning etc. Without their help the season launch would not have come together the way it did.

We would welcome any suggestions on how we can make this event even better in 2012.

**Merchandise**

The new strips have arrived and from comments and feedback received to date they have been a great success. We are aware there have been delays in supply and we thank you for your patience whilst waiting for the arrival of ordered items.

**Hall**

Parents, please remind players that ALL BOOTS are to be removed before entering the hall. Dirty boots leave a mess and also destroy floor coverings. We ask that all respect the clubrooms.

**Canteen Roster**

All team managers have been given a copy of the canteen roster. We are again reminded that parent participation is a huge part of making our club a standout in the facilities, food and beverage offered. Therefore we ask that when your team has been designated to be on bar and canteen duties either on training nights or game day that you as parents offer some of your time to keep the club running at a premium.

**Team Dinners**

We will once again be holding Friday night team dinners. Teams are assigned a particular Friday night for their team dinner. We encourage you all to take the time and stay at the club after training and take the opportunity to socialise over a meal. If there are any particular dietary requirements please do not hesitate to let us know.

**Community Lottery**

Your Team Managers have been given books for each player to sell and these are now being distributed. Your efforts are much appreciated as this is a major fund raiser for the Juniors. If you would like more books, please see your team manager and this can certainly be arranged. Thanking you all in advance

**Lost Property**

We do have an area in the club for lost property. If you have lost an item, please see either the bar staff or the merchandise room and they will gladly check for you

**Donations**

We would also like to thank Direct Interiors for donating some outstanding wine and also Raf Palwecki from the Mercorella Group for kindly storing it for us until needed. Their help is much appreciated.

**Grants**

The JSC wishes to acknowledge the generosity of the following organisations for their contribution of financial grants to MetroStars during the latter part of 2010:

- Office for Recreation & Sport - \$10,000
- Woolworths - \$4,055
- Telstra - \$1,200

These funds were put to use in purchasing much needed equipment for our junior program such as inflatable goals for Small Sided Football (SSF), new nets, training equipment and a new line marking machine.

**Upcoming Senior Games**

Please note below the up and coming senior games. We would ask if available that you show your support to our Senior Team. All players should have been given passes via their team managers enabling them to obtain free entry to all senior home games.
