

PLAYER PARTNERSHIP PROSPECTUS

2026

BY PARTNERING WITH METROSTARS, YOUR BUSINESS WILL STAND ALONGSIDE ONE OF AUSTRALIA'S MOST PROGRESSIVE FOOTBALL CLUBS — DRIVEN BY YOUTH DEVELOPMENT, STRENGTHENED BY COLLABORATION, AND COMMITTED TO SOCIAL RESPONSIBILITY

Dear Partner,

On behalf of MetroStars, I extend my sincere thanks and recognition to the **past sponsors of Metro United WFC**. You have been true trailblazers in supporting women's football and your commitment has left a lasting legacy. Through your belief and partnership, you helped **create opportunities, build pathways, and inspire confidence in young women who dared to dream**.

As we now move forward united with MetroStars, I warmly **welcome all future partners** into our business family. By joining us, you are aligning yourself with one of South Australia's most successful NPL clubs and one of the most recognisable football brands nationally. Together, we will build on this legacy of excellence, inclusion, and ambition.

I would also like to **thank Dora Rinaldi and her team** for their courage and leadership. Dora's vision and commitment were instrumental in guiding Metro United WFC, and I am proud to share that she remains involved in shaping the future of our united club. Her ongoing influence ensures that women's football remains a central part of our story.

As we look to the future, I ask you to **rally behind all of our players – men and women alike**. Partnering with a MetroStars player is about more than sponsorship; it is about creating a **personal and emotional connection**. It's about following their journey, celebrating their achievements, and proudly supporting them as role models who inspire future generations. Your support helps our women's players reach their full potential, not only on the pitch but also in building confidence, leadership, and resilience off it.

To our past, present, and future partners – thank you. Your belief in MetroStars inspires us to keep raising the bar. Together, we will continue to grow one of South Australia's most powerful football clubs – **one club, one badge, one future**.

Thank you for being part of our journey.

TESTIMONIALS

WHAT OUR PARTNERS SAY

"Woodcock Taxation & Financial Services take great pride in partnering with Victoria Mansueto, a hardworking and dedicated player who gives her all every time she steps onto the pitch. I enjoy watching Victoria play and supporting her is not just about celebrating her efforts, but also about contributing to the growth of women's football across South Australia. I am honoured to play a small role in her journey and excited to see how, together with MetroStars, we can help inspire future generations of female footballers."

- Steve Woodcock, Woodcock Taxation & Financial Services

"As a long time sponsor of Metro United WFC, Vida Finance has become invested in players' journeys – every pass, every goal, every setback and every triumph. The emotional connection is real, and the joy I feel following our players throughout the season makes the sponsorship experience so meaningful. With MetroStars, I know that future opportunities for women's football will only grow stronger, and I'm proud to be part of that future. I look forward to sponsoring again in 2026"

-Gianna Esposito, Vida Finance

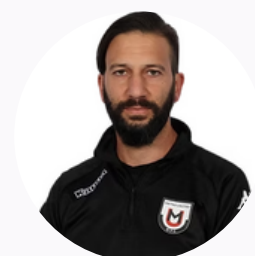

"At Integrated Pest Services we believe in passion, hard work, and positive performance – the very same values that players at Metro show every time they step onto the pitch. Supporting Chloe Mortimer isn't just sponsorship; it's about inspiring young players and being part of a club that represents pride, opportunity, and excellence."

- Ken Langmead, Integrated Pest Services

"Having been a player partner of Metro United WFC for many years, for me it's more than just football – it's about seeing players inspire their teammates and other young girls in our community when they step on the field. For me, there's genuine joy in following them each week, through the ups and downs, knowing my support helps them chase their dreams. With the reunification of MetroStars I am excited to see what the future brings"
