

# 2025 METROSTARS YEAR BOOK

## Story of North Eastern MetroStars

In only its short existence, North Eastern MetroStars have become one of Australia's most successful Football clubs.

The club's history dates back to 1994, when a meeting in a snack bar saw the merging of ex-patriots of the West Side Calabrian Club and the East Side Eagles, all who shared a common dream.

The dream; to create the best soccer club in Australia.

Red and Yellow would be the colours, the traditional Sicilian symbol, The Trinacria would be the logo (to represent their alliance with the Sicilian Club), and Sam Settecasì would be president; the Metro Knights were born.

Committee members included Peter Pipicella, Andrew Perrone, Tony Taormina, Ady DiBartolo, Frank Calipari and Rob Rende and the requirement was that the passion for good value soccer and love of the game would always be the driving force behind the club.

The Metro Knights aimed to set the standard for all other soccer clubs, whether it be their uniforms (stripes were chosen under the advice that they are threatening to the opposition), the standard of coaching or the standard of players, the Knights would always be the benchmark.

The club began to play in the South Australian Amateur Soccer League and in the South Australian Womens Soccer League in 1995. Metro Knights finished second in their first year but this was not enough to quench the thirst for success that the club stood for.

The Knights finished first in the 1996 season and were promoted to Division 1 in the Amateur League where they

continued to finish in the top three.

After an invitation by the South Australian Soccer Federation (SASF) in 1999 to then join the State League, the Knights, changed their name to North Eastern MetroStars, and did the unprecedented with promotion to the Premier League in their first year.

It did not take long for success to come to MetroStars, with the club winning their first Premier League Minor Premiership in 2003.

In 2004, the club created history, with triple success in claiming the Premier League Championship, Minor Premiership and Federation Cup title. In only five years of Federation soccer, the club went from a new member to the highest pinnacle in the local game.

In 2006, MetroStars became the first club to become a member of the newly formed Football Federation SA (FFSA).

MetroStars secured its second Federation Cup in 2008, and in season 2009 the club won its second Premier League Championship.

The club enjoyed a period of major success when they won the Premier League Premiership in 2009, 2010, 2011, 2013, 2014, 2017 and 2023.

In 2012, MetroStars secured the double by winning the Premier League Championship and Federation Cup.

The highest honour the club has won came in 2014, when 20 years since formation, MetroStars claimed the National

NPL Championship with a 1-0 victory over Bonnyrigg White Eagles in Sydney. In 2016 and 2017, MetroStars won back to back Federation Cup titles.

MetroStars have participated in the 2015, 2016, 2017 & 2023 Australia Cup major rounds.

In 2020, the club unveiled a commemorative logo for its 25th year. In 2021 that new logo was endorsed as the club's new logo.

In 2023, the club were crowned Premiers, along with winning the Federation Cup and also the club reached its highest stage of the Australia Cup playing in the Quarter Finals.

In 2023, 2024 and 2025, the club won back to back to back Premierships in the National Premier League SA competition.

In 2025 the club progressed to the inaugural Australian Championship.

In 2026, the club enters a new era with the re-unification of Metro United and MetroStars under one club.

The club has produced many talented players who have gone on to play in National competitions and overseas.

The success of the Stars continues today, with the senior teams and junior teams never failing to produce first class soccer.

The culture of the club has been firmly implanted, MetroStars will always strive to be the best soccer club in Australia.
