

MEN'S PLAYER PARTNERSHIP PROSPECTUS

2027

BY PARTNERING WITH A METROSTARS MEN'S PLAYER, YOUR BUSINESS WILL FOLLOW HIS JOURNEY, SHARE THE SEASON'S MOMENTS AND SUPPORT THE NEXT GENERATION OF FOOTBALLERS.

10

Dear Partner,

There is something special about following a player through a season: recognising the effort behind a performance, sharing the excitement of a goal and seeing the pride with which he represents your club.

Our Player Partners experience that connection firsthand. To everyone who supported a MetroStars player in 2026, thank you. Your involvement brings our players, businesses and supporters closer together and strengthens the community around our senior football program.

Our men's first team finished third and progressed to the semi-finals in 2026, maintaining the competitive standards associated with MetroStars. Behind them, our reserves secured both the premiership and championship, and our Under 18s reached their Grand Final.

Particularly encouraging was the progression of young players in 2026. Their development shows what sustained investment in coaching and opportunity can achieve. For our younger footballers, the pathway towards senior football is visible through players they train alongside and watch each week.

As we look towards 2027, we want every player to understand the responsibility of wearing our colours. Commitment, respect and care for teammates matter alongside talent. Our senior players help set that example for the generations coming through.

Player partnership offers your business a personal connection with this journey, supported by the recognition, matchday access and experiences included in your chosen package. Whether you support an established footballer or a player making his mark, we want you to feel welcomed and valued.

I warmly invite our existing partners to continue with us and new partners to join the MetroStars family. We look forward to sharing the season with you.

TESTIMONIALS

WHAT OUR PARTNERS SAY

"It has been an honour for my company, **Yummy Snack Foods**, to sponsor **Michael Cittadini** through MetroStars. This has enabled us over multiple years of sponsorship to go on his professional journey with him as both an employee and sportsman. It has also enabled us to link our brand with Michael and the club and gain exposure as we support him on and off the field"
— Andy Trimboli, Yummy Snack Foods

"Sponsoring **Nicholas Pedicini** is a privilege for us at **Quality Care Medical SA**. Nicholas represents everything that is special about MetroStars – determination, teamwork, and pride in his club. Being part of his journey allows us to follow his progress closely and celebrate his success with genuine pride."
— Dr Mario Soteriou, Quality Care Medical SA

"At **St Marys Collision Repair Centre**, we value hard work and dedication, and **Cameron Woodfin** embodies both of these qualities. He's a great representative of MetroStars, and we have been proud to support him through our player partnership. Sponsoring Cameron isn't just about football; it's about backing people who lead by example and inspire others."
— Peter Chronis, St Marys Collision Repair Centre

"Sponsoring **Jackson Walls** through MetroStars has given **Walls Family Kitchens** the chance to create a real connection with the game and the community. By linking our business to a player we can follow and celebrate, we feel part of every moment – from matchday performances to the pride of seeing him represent the club. It's an emotional investment as much as a sponsorship, and one we're proud to continue."
— Jodie Walls, Walls Family Kitchens
