

WOMEN'S PLAYER PARTNERSHIP PROSPECTUS

2027

BY PARTNERING WITH A METROSTARS WOMEN'S PLAYER, YOUR BUSINESS WILL SUPPORT HER FOOTBALL JOURNEY, CONNECT WITH OUR COMMUNITY, AND HELP CREATE OPPORTUNITIES FOR WOMEN AND GIRLS THROUGH SPORT.

Dear Partner,

Thank you to the businesses and individuals whose support has helped build women's football at Metro United WFC and MetroStars. Your commitment has created opportunities for players, supported their development and helped build a proud football community.

Our first season together again brought achievements worth celebrating. The women's reserves secured both the premiership and championship, while our Under 18 women lifted the Cup. Their success reflects the talent within our program and the commitment of the coaches, volunteers and families supporting them.

I also thank our senior women for their dedication throughout a demanding season. We enter 2027 with renewed purpose, welcoming Tony Scalzi and Danny Arancio as senior head coaches and looking forward to the experience and direction they will bring.

As we look ahead to 2027, we honour that legacy while continuing to grow as one united club. Our women's program is an important part of MetroStars, connecting our youngest players with senior football and giving women and girls opportunities to develop, compete and belong.

A player partnership offers a personal connection with that journey. It is an opportunity to get behind a player, follow her progress throughout the season and celebrate her contribution to the team. For your business, it also creates a connection with the families, volunteers and supporters who make our club what it is.

This prospectus sets out our Pantone Red and Yellow player partnership packages for 2027. Each offers opportunities to engage with the club and receive recognition for your support. Whether you are renewing a longstanding partnership or joining us for the first time, we would be delighted to welcome you.

We also recognise the coaches, volunteers and families whose work sustains our women's football program. Together with our partners, they help create an environment where players can build confidence, develop leadership and inspire the next generation.

Thank you for considering a women's player partnership in 2027. We look forward to sharing the season with you and building on the history, commitment and community spirit that unites our club.

TESTIMONIALS

WHAT OUR PARTNERS SAY

“Woodcock Taxation & Financial Services take great pride in partnering with Victoria Mansueto, a hardworking and dedicated player who gives her all every time she steps onto the pitch. I enjoy watching Victoria play and supporting her is not just about celebrating her efforts, but also about contributing to the growth of women’s football across South Australia. I am honoured to play a small role in her journey and excited to see how, together with MetroStars, we can help inspire future generations of female footballers."

- Steve Woodcock, Woodcock Taxation & Financial Services

"As a longstanding sponsor of Metro United WFC and MetroStars, Vida Finance has become invested in players' journeys – every pass, every goal, every setback and every triumph. The emotional connection is real, and the joy I feel following our players throughout the season makes the sponsorship experience so meaningful. With MetroStars, I know that future opportunities for women’s football will only grow stronger, and I’m proud to be part of that future. I look forward to sponsoring again in 2027”

-Gianna Esposito, Vida Finance

“At Integrated Pest Services we believe in passion, hard work, and positive performance — the very same values that players at MetroStars show every time they step onto the pitch. Supporting Chloe Mortimer isn’t just sponsorship; it’s about inspiring young players and being part of a club that represents pride, opportunity, and excellence.”

- Ken Langmead, Integrated Pest Services

"Having been a player partner of Metro United WFC for many years, for me it's more than just football – it’s about seeing players inspire their teammates and other young girls in our community when they step on the field. For me, there’s genuine joy in following them each week, through the ups and downs, knowing my support helps them chase their dreams. With women’s football now part of a united MetroStars, I am excited to see what the future brings.”

-Terry Kyriacou, Ajaxx Carpet Cleaning
